MEMORANDUM FOR: CHIEF, TRAINING DIVISION

SUBJECT: Draft of Paragraphs

Here is a draft of the paragraphs you wanted me to prepare for your use.

Paragraph 2 e. In following this recommendation, STB is planning to present in the future all general background material concerning international Communism in its various aspects in the SOC and to discuss in the AOC the classified aspects of Soviet and satellite intelligence and of clandestine operations against the USSR and related targets.

Paragraph 3 b. To implement this suggestion, eight to ten hours of elementary instruction will be included as soon as possible in the two weeks' Administrative Course for clerks.

*planned* Paragraph 3 c(1) The directive to the Chief Instructor is being revised in more specific terms. Steps are being taken to reorganize and integrate these courses with the rest of the instruction. It is recommended that the Investigative Techniques Course be extended to two weeks' duration in order to provide the students not only with the familiarization with CI techniques as employed against our operations but also with a working efficiency in selected techniques as they can be used by us in an aggressive way. The one week in basic photography should be continued, but an additional week of laboratory work will be made available at request. (2) The Training Request Form as suggested is in preparation.

Paragraph 3 d. (2). A basic plan for such a course will be developed and submitted for approval.
